Your Dollars Go Far In China

Day 1. We depart Seattle for Beijing.

We depart for Beijing via our Hainan airlines flight. Full meal service will be provided.

Day 2. (B,D) We arrive in Beijing and are taken to our hotel. Tonight we dine at a local restaurant 5 Star International Hotel

We arrive in Beijing, are met by our local guides and taken to the luxurious deluxe International Hotel. We will have a short briefing about our professional agenda, then have dinner.

About Beijing

China is the oldest, most populous and most continuous civilization on earth and Beijing, once the self-proclaimed center of the world, is its capital. "Nowhere in the world are such rare and precious goods traded as in Khanbaliq, Just imagine, every day more than a thousand wagons arrive fully laden with silk and precious jewels," wrote Marco Polo in the 14th century. Incidentally, among other things, he discovered pasta, ketchup and gunpowder.

Around 3,000 BC villages were established in the Beijing area. In the 15th century, Emperor Yongle named the city Beijing, meaning northern capital. From then until the 20th century Chinese emperors lived in its Forbidden City without interruption.

During the 20th century Beijing endured the turmoil of war, revolution, industrialization and a massive building boom. As the undisputed hub of China, everything is always happening in this city of 6 million. It retains its rich past with aristocratic parks and palaces and a great heritage of art and history displayed in over 50 museums. Today the heart of Beijing would still be familiar to Emperor Yongle.

Day 3. (B,L,D)

This morning we tour the Temple of Heaven; this afternoon we meet with our colleagues at a local hospital. Tonight we attend the Peking Opera Show. 5 Star International Hotel

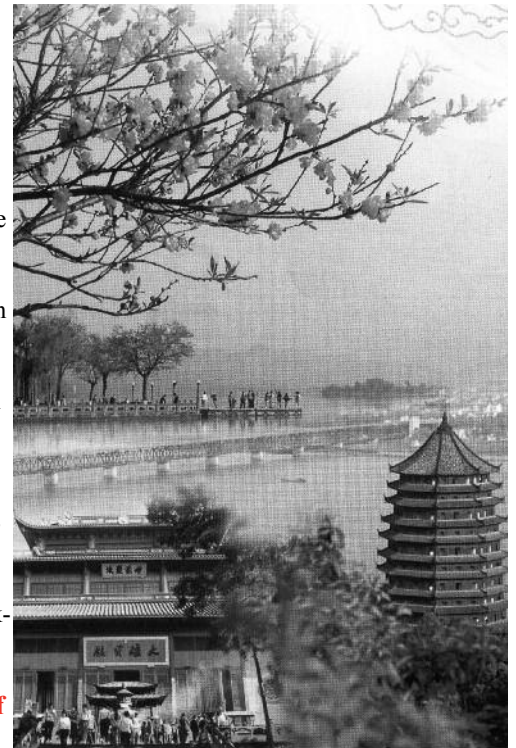

This morning we visit the Temple of Heaven, the most perfect example of Ming architecture that has come to symbolize Beijing. It is set 267 hectare-Tiantan Guongyuan with four gates as compass points. It originally functioned as a vast stage for solemn rites performed by the Son of Heaven, prayed for good harvests, divine forgiveness, and atone for the sins of his people. This afternoon we visit a local hospital and meet with Chinese nurses for a 'Round Table' discussion with our Chinese colleagues. We will exchange views with our colleagues and have a background briefing about China's Healthcare Delivery System.

Day 4. (B,L,D) Visit the Great Wall of China and the Ming Tombs. Tonight we enjoy a Peking Duck banquet. 5 Star International Hotel

The Great Wall is the only visible structure on Earth that can be seen from the Moon, and is nearly four-thousand miles long. Great Wall construction began in the fifth century, B.C. as a series of defensive boundaries around China's smaller states. Over the centuries it was improved and extended as protection from the Huns and other nomadic tribes.

We will have lunch at the Great Wall and then travel on to 'The Valley of The Thirteen Ming Tombs' and the 'Sacred Way'. The thirteen Tombs date back to the year 1409, when construction on them started. Each Tomb has an underground palace, defense wall, soul tower, and sacrificial hall. The 'Sacred Way' is a vast collection of twelve larger than life human statues, and twenty-four stone unicorns, lions, camels, and elephants.

Tonight we enjoy a Peking Duck Banquet. A few years ago the Wall Street Journal featured a three page article about the incomparable Peking Duck Dinners that are served in Beijing (Peking). Enjoy the delicately sliced duck, wrapped in thin pancakes and dipped in dark brown hoisen sauce.

Hangzhou, China's Garden City

Day 5. (B,L,D) We Visit Tiananmen Square and The Forbidden City then travel to Hangzhou, the Garden City of China.

4 Star ZheJiang Cultural Plaza Hotel

We start at Tiananmen Square, China's most famous square covering 100 acres in the heart of Beijing. On October 1, 1949 a million people gathered there when Mao Zedong proclaimed the birth of the Peoples Republic of China. Next we visit the Forbidden City, otherwise known as the Gu Gong (Imperial Palace). Construction of the Imperial Palace started in 1406 as a residence for the Ming emperors. Over the centuries twenty-four Ming and Ching Dynasty emperors ruled from the Imperial Palace that sprawls over 9,000 rooms covering floor space of over 150,000 square yards. There's a lot to see since many of the palace buildings are exhibition halls for ancient collections from every corner of China. The famous 'Treasure Exhibition' displayed here is unforgettable. Later we take our flight to Hangzhou, China's garden city.

About Hangzhou

The ancient Chinese said "There is a paradise in heaven but on Earth it's Hangzhou." Hangzhou, China's "Garden City" is renowned for its natural, exquisite and picturesque scenery history as one of China's six ancient capitals. In the Middle Ages Marco Polo visited Hangzhou and said "It is the most beautiful city in the world." Located by the Qiantang River
